Extend your Windows keyboard functions with this easy-to-use app! KEYMACRO transforms your keyboard into a dynamic machine controller and supports up to 6 different virtual

keyboards. Its functions are very similar to popular apps like Autokey for Mac or the AutoHotkey app for Windows, but it is much simpler to set up and more intuitive to use. [Mac; US$69.99] ViTOO Player v1.9.1 ViTOO Player is a full-featured, all-in-one

multimedia player for Windows. The player features a rich set of general controls that allows the user to play, pause, reverse, repeat, or download videos, music, movies, or audiobooks. The player has a clean, simple interface and is able to play most formats including iTunes

and SoundCloud Music. All features are accessible by either keyboard or mouse commands. Keyboard shortcuts for navigation include Play/Pause, Stop, Next, Previous, and Search. Right-click (Win+Click) on any thumbnail in the My Videos or My Music

folders brings up the download options. ViTOO Player does not include any DRM or copy protection, so it can be used for unlimited and uninterrupted playback. Download [Mac; US$24.99] Weebly Free 5.0 Weebly is an easy and affordable way to create a

professional website, blog, or portfolio. In this review, we talk about the most useful features of the platform, including templates, themes, WYSIWYG editor, and website migrations. Weebly's modular design allows users to control the look and feel of the site, customize colors,

set-up menus, and toolsets. You can choose from 20 free templates that offer complete and customizable web designs, including blogs, portfolio, and marketing sites. You can also set up a new website from scratch, pick from eight premium templates, or build your own. Weebly

offers an option to import your favorite elements from WordPress, Wix, and Squarespace, and has WYSIWYG editor that is extremely user-friendly, with intuitive drag-and-drop and copy/paste tools. With WYSIWYG editor, you can insert images and

content into the page, without having to design it by hand. It even allows you to import the content of Word or Pages documents and images from social networks. Weebly's 77a5ca646e
