Garrett County High School (GCHS) will play in this spring's Tri-Valley League basketball final for a second straight year, as the Eagles defeated visiting Forest Park-Southern Regional on Saturday. The Eagles, led by seniors Clifton Murray and Keith Smith, took

control of the game in the second half and were able to keep Forest Park at arm's length by limiting the Gators' shots as a unit. The game-winning run began after Forest Park's Stuart Knippa made a basket with a little more than two minutes remaining to push the Gators to within one. "They did what we told them not to do," Murray said. "We knew we had to work on our offense because we had some turnovers, so we went back to our offense and got the ball to our guys in the right

positions.” Four Eagles scored in double figures and GCHS junior Cooper Geraghty and Forest Park senior De’yon Williams split a pair of free throws with 28 seconds left to give the Eagles their first lead of the game with an 18-16 score. “We told those guys all week to come out and get it tonight,” Eagles coach Steve Pittman said. “They just played like professionals out there.” Forest Park, a co-champion with Glenville-Chili, had 10 players score in double figures, led by

Williams with 21 points. They had 26 after one quarter. The game was pretty even at the end of the first, with GCHS also fielding the same starting lineup as Saturday's semifinal. Forest Park was the first to score in the second, leading 10-7. The Gators tied the game up after the first by getting to the foul line four times and GCHS had three of its own. Forest Park continued to get easy baskets over the last six minutes of the half, matching GCHS' ball movement with plenty of dribble-drive layups

and floaters. GCHS got the ball
